Do not give any legal arguments or cite any cases or statutes. If you intend to allege a number of different claims, number and set forth each claim in a separate paragraph. (Use as much space as you need; attach extra sheet(s) if necessary).

Rebecca Boyd and the Rankin Co. Circuit Court along with Sheriff Bryan Bailey and Lt. James Rutland are in violation of my right of due process by intentionally omitting felony arraignment in Rankin Co. Circuit Court thereby holding me in confinement without the benefit of legal counsel appointment or bond reduction or any access to the court for the purpose of filing motions necessary in my defense and release from custody. Circuit Court arraignment is a necessary function  
see reverse side

## RELIEF

- IV. State what relief you seek from the court. Make no legal arguments. Cite no cases or statutes.

That Rankin Co. Circuit Court provide felony arraignment after the accused is bound over to grand jury action in a timely manner (within one month) with attorney appointment for the duration of case with bond reduction given at that time. Also address issues of confinement listed within.  
 \* Also plaintiff be granted an OR (recognition) bond at this time. \$5,000.00 lost income & damages.  
 Signed this 3<sup>rd</sup> day of September, 20 15 (2015).

I declare (or certify, verify or state) under penalty of perjury that the foregoing is true and correct.

Walter Don Maroon

of the court to assure the accused has the right of legal counsel through out his case beginning from the point of being bound over for grand jury action until completion which does not take place in the twentieth circuit court district of Rankin Co. which severely handicaps defense efforts of the accused and his efforts to have his initial bond reduced to an acceptable amount to gain his freedom and to file important court motions that affect the outcome of his case. My right of due process is severely restricted by this court and jail. My access to legal materials the jail states I am entitled to such as Mississippi Code and Statutes and court procedures and addresses have been continually denied along with request for notary services which are necessary for certain court filings also denied. Lt. James Rutland & his staff recently canceled access to legal materials by mail that have been downloaded from internet websites for defense purpose which is a violation of the freedom of Information <sup>Act</sup> and freedom of the press, speech and receipt of such. This system is biased and prejudiced toward an indigent defendant that cannot hire an attorney nor post bail and results in an abnormally high conviction rate. Also conditions of confinement at RCS are dangerous and negligent ripe with acts of inmate on inmate violence, staff on inmate violence, improper medical service restricted by cost to jail, improper treatment of inmates by keeping cells excessively cold, not allowed to use blankets during daylight hours, food service issues of vendors not wearing hairnets and gloves continually, and tampering with the mail.
